

**GOD is.....**

GOD is.....

Life-force  
The natural world  
Changing cloud formations  
Lightening  
The sun filtering  
Through cumulus  
A journey  
Into a mindless void  
A wild flower  
Rangitoto  
The mood of the sea  
Life blood connections  
Emotion  
Joy  
Understanding  
A hand delving into  
My brain

GOD is.. ..

Searching but not finding  
Energy  
The link to the ethereal  
Hope  
Fulfilment  
Serenity  
A meditational state  
Pink socks  
The twitching  
Of my eye  
Peace  
Resolution  
A roll of paper
